

## **How to Dispose of Large, Bulky Items**

Have something too large to fit in your trash can? Set appliances, furniture, and other large items at the curb on your regular collection day, and our crews will pick it up.

You do not need to call to schedule a bulk pickup. This is a service provided by the city of Clearwater's Solid Waste & Recycling Department on your regular collection day. Trash, recycling, yard waste and bulk items are all picked up on your service collection date.

Questions? Call the Solid Waste Operations Line at (727) 562-4920.
