

# Over-the-Air Reception Devices Application

Includes Direct Broadcast Satellite & Broadband Radio Service

Agreement does not include antennas used for AM/FM radio, amateur ("ham") radio, Citizen's Band ("CB") radio or Digital Audio Radio Services ("DARS").

Mounting of the device is allowed by The Village on Island Estates Condominium Association, (VOIE), following these guidelines:

1. The device must be one meter (39.37") or less in diameter.
2. Requestor shall make a written request to the VOIE Board.
3. A **Security Deposit in the amount of \$100.00 must accompany the application** and shall remain with the VOIE until the device is removed and any wear and tear or invasive methods for installation is restored.
4. The applicant agrees to have the device mounted/installed by a licensed & insured contractor regularly engaged in this practice.
5. The applicant agrees to maintain the device and accepts responsibility for any leaks, water intrusion or damage caused by the device or its installation.
6. The applicant agrees to hold the VOIE harmless and indemnify the VOIE for any damage, lawsuits or repairs caused by the device or its installation. To include buildings, persons or objects.
7. Actual installation shall follow FCC rule guidelines and be approved by the VOIE board of directors. The VOIE's preferred device location is wholly within the exclusive area of the unit's balcony, not drilling or penetrating any exterior stucco by any means.
8. Wiring will conform to the National Electric Code, the State of Florida and Pinellas county codes.
9. Legitimate safety restrictions that impair the installation, maintenance or use of the device provide reason for application denial. Examples include local fire codes, proximity to power lines and the installation requirements that describe the proper method to secure the device.
10. No exterior landscaping alterations can be made by the applicant or representative of the applicant without prior VOIE board approval.

I \_\_\_\_\_, have read and understand the above referenced guidelines.
